

Wednesday Workshops

22nd February - 29th March 2017

*p*Buzz

Leader - Matt Harrison

Come and learn how to play a brand new musical instrument. Designed to get young children buzzing. It's big, it's red and it's slidey!

Fun with French **Leader - Gill Hunkin**

Songs, games, stories and craft activities on a Spring theme. Learn and practise some useful French and have fun at the same time. We may even end the term with some tasty French inspired treats!

Pottery

Leader - Heather Hunt

Do you want to work with our local expert? You will be looking at how we can get movement and sound in ceramics by making bells and fish wind chimes.

Street Surfing **Leader - Lauren Bennett**

It won't take long for you to master the art of Street Surfing and experience a great sense of achievement. The technique is said to be a combination of surfing, snowboarding and skateboarding.

A Chance to Dance **Leader - Sarah Fairhall**

A chance to dance and get creative with movement using our imagination to inspire new dance routines, solos and duets, all to do with the theme 'Little & Large'.

Jungle Gym **Leader - Bridget Bingley**

Come and enjoy the great outdoors whatever the weather. Build dens, create obstacle courses and make fire! Be prepared to get physical and mucky.

Young First Aider **Leader - Tracy Geach**

Would you like to find out more about basic First Aid? Using specially designed activities from St John Ambulance and Heartstart, you will learn how to recognise and deal safely with real life situations.

It's a kind of magic! **Leader - Julie Jones**

Learn some of the secrets of magic in a fun workshop where you make the magic happen! Try some simple amazing magic tricks to dazzle your family and friends, including coin and card magic and magic using everyday objects. Prepare to be amazed!

CRAZY COOL SCIENCE **LEADER - PIPPA COUNTER**

Ever wondered how things work? Create amazing experiments which you can then teach to your family at home. How about making a volcano or lava lamp? This workshop promises to be fun!

Outdoor Pursuits

Leader - Maria Barnes

Do you love a challenge and enjoy working as a team? We'll be heading down to Porthpean, where qualified instructors will guide you through a range of activities: climbing, high rope and team challenges, orienteering and a whole lot more!

Build it

Leader - Virginia Oatham

Let your imagination flow with your very own model kit. Explore levers, axles, cams and cranks by creating your own sculpture, air powered model and robot.

Build it, move it and power it!

Make and Create

Leader - Talyn Truscott

Do you know what quilling is? What about origami? If not, come and explore what Easter ideas you can bring to life crafting paper into sculptures.

FOWEY FILM CREW **LEADER - PAUL TRUDGEON**

What makes our school and where we live so special? Be part of the Fowey Film Crew, reporting on the latest news and developing a promotional video to celebrate our very special school.

CREATION ANIMATION **LEADER - ELAINE DYMOND**

Bring your favourite fairy tales to life in Creation Animation. Make a setting, characters and produce your very own animation using the computer programme "I Can Animate."
