## Our Mission

At Cornwall Education Learning Trust (CELT), our mission is clear: to provide every learner with an **exceptional educational experience**. One that enables them to thrive, achieve and succeed in life. We believe in a **100%** mindset, that every learner, in every classroom, in every school, deserves the very best we can offer. For us, 100% means no compromise: no learner left behind, no community overlooked, and no opportunity wasted.

Our strategic goals reflect this ambition. We are committed to empowering and growing our people, building an ambitious all-through entitlement, forging exceptional relationships with our communities, transforming provision through meaningful partnerships, and leading an ethical, effective and innovative organisation. These are not just aspirations; they are promises that shape the way we work and the culture we are building together.

## Our Values

Our values are at the heart of everything we do. We believe in the power of **Collaboration**, building strong relationships and working together as one team to achieve our collective goals. We are committed to **Empowerment**, creating a culture where initiative, innovation and trust flourish, and where every individual feels valued, respected and motivated.

As a Trust, we are grounded in promoting **Leadership**, sharing a moral and ethical purpose to improve the lives of others and make a lasting difference for our learners and communities. And we embrace **Transformation**, approaching change positively so that we can all become our best selves and do our best work.

These values guide every decision we make and every action we take. They are the foundation of our Trust and the reason we can offer such exceptional opportunities for our learners and staff. If you choose to join CELT, you will be part of a values-driven organisation where people are supported to grow, contribute, and thrive.

The Board of Trustees of CELT is the Admissions Authority for the Academy (The Admissions Authority) as part of the co-ordinated scheme with the Local Authority. This means that parents must apply to the Local Authority for a place at the Academy using the Common Application Form which must be returned to the Local Authority as specified on the form.

Alternatively, parents may apply online directly to the Local Authority at:  
[www.cornwall.gov.uk/admissions](http://www.cornwall.gov.uk/admissions).

## 2.2 Applying for a place

This policy is written with full adherence to and in accordance with the School Admission Code (2022) and the School Admission Appeals Code (2022). The school participates fully in the Local Authority's Fair Access Protocol and the Local Authority's Co-ordinated Admissions Schemes for starting school and applying for places during the school year. Details of these schemes are on Cornwall Council's website ([www.cornwall.gov.uk/admissions](http://www.cornwall.gov.uk/admissions)) or on request from the Local Authority. All statutory obligations defined within this code apply, including the operation of an equal preference scheme.

Students will be admitted without reference to ability or aptitude using the procedures detailed in this document, which includes arrangements and criteria that will be applied in the event of oversubscription.

All applications for places into Foundation or KS2 (Newquay Junior only) or during the school year must be made directly to the applicant's home local authority on the appropriate application form. The application form and supporting information is available on the local authority's website or in paper form on request from that local authority. There is no extra information needed by CELT

In-year admissions will be coordinated by the Local Authority.

The following schools are part of Cornwall Education Learning Trust and provide Foundation Stage, Key Stage One and Key Stage Two education in Cornwall.

## 2.3 Allocation of places

Port Isaac Academy	✓	15
St Mewan Community Primary School	✓	45
<b>School</b>	<b>KS2</b>	<b>Planned admission Number (PAN)</b>
Newquay Junior	✓	120

## 2.4 How places are allocated

If you apply for a place in the school and the number of applications is not greater than the published admissions number, then you will be automatically offered a place. However, if this number is exceeded, then after the admission of pupils where the school is named in their Education, Health and Care Plan then the criteria below will be applied in the following order of priority:

## 2.5 Oversubscription criteria Year of Entry Foundation Stage:

In the event of there being more applications for places than the PAN allows in the entry foundation stage in the 2027/28 academic year or more applications than places for any year group during the school year, the following oversubscription criteria will be used to prioritise applications, after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to those children who meet the criteria set out below, in order to allocate places.

1. **Children in care and children who were previously in care** but immediately after being in care became subject to an Adoption, Child Arrangement, or Special Guardianship Order including those who appear (to the admission authority) to have been in state care outside of England and ceased to be in care as a result of being adopted (see Note 1).
2. **Children who have a sibling** (see Note 2) attending the school at the time of application and who will still have a sibling attending the school, at the proposed date of admission.

3. **Children of all staff** who have been employed by the school for at least 2 years at the time at which the application for admission to the school is made, or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

### Tiebreakers

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Where the distance between multiple children's homes and the school is the same, random allocation will be used to decide between them. This process will use Cornwall Council's Random Allocation Protocol, supervised by an independent person, which is available on request.

## 2.6 Oversubscription criteria Year of Entry KS 2 (Newquay Junior ONLY)

In the event of there being more applications for places than the PAN allows in to year 3 in the 2027/28 academic year or more applications than places for any year group during the school year, the following oversubscription criteria will be used to prioritise applications, after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to those children who meet the criteria set out below, in order to allocate places.

1. **Children in care and children who were previously in care** but immediately after being in care became subject to an Adoption, Child Arrangement, or Special Guardianship Order including those who appear (to the admission authority) to have been in state care outside of England and ceased to be in care as a result of being adopted (see Note 1).
2. **Children who have a sibling** (see Note 2) attending the school at the time of application and who will still have a sibling attending the school, at the proposed date of admission.
3. **Children who were educated at Trenance Learning Academy** at the time of normal application.
4. Children of all staff who have been employed by the school for at least 2 years at the time at which the application for admission to the school is made, or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

### Tiebreakers

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Where the distance between multiple children's homes and the school is the same,

random allocation will be used to decide between them. This process will use Cornwall Council's Random Allocation Protocol, supervised by an independent person, which is available on request.

## 2.7 Notes and definitions

Children with Education, Health and Care Plans (EHC Plan) which names the Academy must be admitted and will count towards PAN if the information is available before the offer date.

Parents/carers of children with an Education, Health Care Plan do not have to make an application through the general school admissions system. All requests for a change of school during the year ('in year' admissions) and all requests for entry into school at the normal point of entry (starting in the reception year, transferring from infant to junior school or transferring from primary to secondary school) will be handled by the Statutory SEN Team (Tel: 01872 324242 / Email: [statutorysen@cornwall.gov.uk](mailto:statutorysen@cornwall.gov.uk)).

If the Academy is not over subscribed all applicants will be offered a place.

### **Children in care and children who were previously in care**

A 'child in care' is also referred to as a 'looked after child' and is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989). A 'Child Arrangement Order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'Special Guardianship Order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society (see Section 23ZZA(8) of the Children Act 1989 (inserted by Section 4 of the Children and Social Work Act 2017)).

### **Siblings**

'Siblings' means brothers and sisters. They are defined as children with at least one natural or adoptive parent in common, living at the same or a different address. Children living permanently in the same household at the same address would also be counted as siblings, regardless of their actual relationships to each other. To qualify as a sibling a child must be on the roll of the school in question at the date of application, allocation and admission.

### **Multiple birth siblings**

Where applications are received on behalf of twins, triplets, etc. or brothers and sisters whose dates of birth place them in the same chronological year group, every effort will be made to offer multiple places at the school, but an offer cannot be guaranteed.

## Distances

Home to school distances used for tie-breaking will be established using a straight-line measurement as determined by Cornwall Council's nominated Geographic Information System software. Measurements will be between the home address using Ordnance Survey's Address Point dataset (usually the centre of the main building of the property) and the main gate of the school (as determined by Cornwall Council).

## Home address

Each child may have one registered address only for the purposes of determining priority for admission. This should be the place where the child is normally resident. If there is shared residence of the child or a query is raised regarding the validity of an address, it may be necessary to use the address of the person receiving child benefit for the child. If this is inconclusive, the registered address would be considered to be the address at which the child spends the majority of days during the school week. The final decision with regard to establishing the home address will rest with the Trust.

## 2.8 Late Applications

Late applications will be processed at a later stage so it is possible that all places will have been filled. For further information please see the council's website.

If you are unsuccessful in obtaining a place at the school, you can request to be placed on a waiting list – which is regularly monitored by the school and maintained until the end of the academic year. Please be aware that the length of time you have been on a waiting list does not confer any additional priority – if a place becomes available and there are two or more children on the waiting list then the oversubscription criteria above will be applied.

## 2.9 In-Year Admissions / Waiting lists

If the school is oversubscribed, a waiting list will be held, and parents/carers can request that their child is added to this list. A pupil's position on the waiting list will be determined by the oversubscription criteria set out above. Children's places on a waiting list are subject to change according to additional information received about applications or children being added to the list. No priority is given to the length of time that a child has been on the list.

## 2.10 Deferred entry

Places in reception will be allocated as full time from September. However, parents/ carers are able to request that the date their child is admitted to school is deferred until later in the academic year or until the term in which the child reaches compulsory school age or request that their child takes up the place part-time until they are of compulsory school age.

Parents/carers should direct any request to the Headteacher.

## 2.11 Admission of children outside their normal age group

Although most children will be admitted to the school with their own age group, from time-to-time parents seek places outside their normal age group. For example, if the child is gifted and talented or has experienced problems such as ill health. Those wishing to request placement outside the normal age group should contact the Headteacher. Such requests will be considered on a case-by-case basis and in the best interests of the child concerned.

Guidance can also be found at [www.cornwall.gov.uk/admissions](http://www.cornwall.gov.uk/admissions).

While it would not normally be appropriate for a child to be placed in a year group that is not concurrent with their chronological age, the school will consider these requests carefully, and will make a decision based on the particular circumstances of each case.

## 2.12 Appeals

Applicants refused a place at the school have the right of appeal. Appeals are heard by an independent appeals panel [arranged by Cornwall Council on behalf of the Trust]. Applicants can only appeal again for a place in the same school within the same academic year if the Trust has accepted a further application because there has been a significant and material change in the circumstances of the parent or carer, child or school (e.g. a change of address
