

LKS2 Detailed Lesson Progression for Art Year A

Exploring tone and texture

Lesson	Learning Objectives	Core Knowledge	Core Skills	Vocabulary
3D pencil drawings	Draw using tone for 3D effect.	How contrasting tones show light/dark.	Shading control.	tone, shadow, highlight
Texture and tone	Use lines/marks for texture.	Textures represented through lines.	Mark-making.	texture, mark
Understanding proportion	Observe proportion in objects.	Relative size rules.	Measuring visually.	proportion
Composition	Arrange elements effectively.	Composition principles.	Planning layout.	composition
Texture, tone & proportion	Apply combined drawing skills.	Integrated use of tone/texture.	Detailed drawing.	form, shadow

Light and dark

Lesson	Learning Objectives	Core Knowledge	Core Skills	Vocabulary
Tints and shades	Darken/lighten colours.	White= tint; black= shade.	Mixing accurately.	tint, shade
Three dimensions	Paint 3D effect.	Light direction impacts colour.	Painting gradients.	3D, shadow
Painting techniques	Explore varied techniques.	Effects of stippling/dabbing.	Brush control.	stippling, wash
Composition	Plan still life.	Object placement.	Sketch planning.	composition
Still life	Paint final piece.	Showing form via tone.	Controlled painting.	form, contrast

Mega materials

Lesson	Learning Objectives	Core Knowledge	Core Skills	Vocabulary
From 2D to 3D	Develop 3D ideas.	Visualising form.	Sketching shapes.	form, 3D
Soap sculptures	Understand carving.	Shape removal creates form.	Carving safely.	carving
Working with wire	Form shapes in wire.	How wire bends/joins.	Bending, twisting.	wire, bending
Shadow sculpture	Understand display effects.	Lighting alters perception.	Photographing sculpture.	shadow, display
Recycle and recreate	Join mixed materials.	Properties of recyclables.	Constructing 3D forms.	recycled, joining
