Autumn 4

November 8th 2019

What have we achieved this fortnight?

We had a SPOOKY Halloween lunch and a Fizzy firework special!

Cannis received dozens of postcards from all over the world

Cannis' trip to Mylor sailing was cancelled due to poor weather so the lovely instructors from Fowey Gallants brought their boat to us so we could explore!

A fantastic Friday was had by Coombe and Gribben who loved their Science workshops exploring sound, light and fireworks! We also managed to sneak in a little session for Cannis class too...

We all did our first Yoga sessions of the term, teachers included!

We discovered that Guinea Pigs really like to hide in fluffy winter hats.

... and we started learning our carols ready for Christmas ☺

Notices

Wear your best fancy dress and join us to celebrate Children in Need on Friday 15th November. Children can wear any fancy dress they like but no scary masks or pretend weapons please. They also need to have trainers on as we'll be joining hundreds of other schools nationally to do the Big Morning Move live with Joe Wicks.

Huge thanks to all those families who are finding time to ensure their children read at home every day. We have reassessed all phonics children and they're making super progress! New book bands (if needed) should have now started coming home.

We will be holding a Christmas Carol Service at Fowey Parish Church and Lantic will be performing their nativity there. We're just firming up dates with Ian and we'll get them out to you as soon as we can.

We are really proud to be working with Sinead Hanks and other local people as a collection point for Shoe Boxes for the homeless again this year. Please do support the appeal and make a box/ bag up if you can. We'll send more details of what to include next week.

We've noticed that some of the older children have started to arrive at school very early (they are obviously super keen to start learning!). Please can you make sure children don't arrive unaccompanied before 8:30 as we can't be responsible for them before this.
