Summer Three 18th June 2021

This week in pictures...

Covid Cases

We know that cases of Covid are rising in the local area and that this is causing some worry. Please rest assured that we are doing everything we can at school to ensure that the risk is as low as we can make it.

A few things you can do to help are:

- Please keep your child at home if they have a cough, temperature above 38.5 and notice any change in taste/smell. You need to get a PCR test for your child and they must only return to school once that result has come back negative. We can't accept a negative lateral flow test result as these tests are only designed to be used when a person doesn't have any symptoms and won't pick up symptomatic covid. Siblings must also isolate until a negative result comes back.
- Please wear a mask on pick up and drop off if you can (please also remind grandparents who seem to often forget!) Of course, if you are exempt this is absolutely fine.
- Please isolate if the NHS app tells you to and please let us know. If you are asked to isolate you shouldn't be bringing children to and from school yourself.
- Please remember to social distance, especially when lining up at pick up and drop off. We need to keep modelling this for the children.

We know some children have been anxious about this this week. We will continue to work to reassure the children and keep school a happy, calm place but please do talk to your child's teacher if you have any specific worries.

RSE Consultation

We've sent a consultation out to all families asking for your views on the teaching of relationships and sex education. Please do complete the form and send it back to us by next week.

Coming up...

28th June INSET day

30th June Sports Day

Lantic/Cannis AM

Readymoney/Carne PM

1st July Sports Day

Gribben/Coombe

1st July Virtual Induction meeting for new parents

5th to 16th July Year 6 Swimming

19th to 23rd July No Clubs this week

23rd July End of Term

This Week's Top Five are...

5th Tony Steele (Evan W)

4th Pink Slick (Lowenna)

3rd Fee Von Rock (Orlaith)

2nd Scott Domino (Isaac T)

1st Judge Storm (Evie R)

Remember to keep rockin' to get to the top five next week!

Duke

We've introduced our new school dog, Duke, this week and he was a hit with the children who met him. We'll be slowly increasing him time in school alongside advice from the charity Pets as Therapy who will be working with us.

Sports Days

Unfortunately we can't have spectators at this years' sports day events which will be held on 30th June and 1st July. Please make sure your child has PE kit in school on these days and a water bottle.

Suncream

As the weather heats up the children are at increasing risk of sunburn. The easiest way for you to prevent this is to use an 8 hour suncream and apply it at home before school. If your child needs to apply suncream at school please make sure you send in a labelled bottle (we are not allowed to let any child use anyone else's cream). Children will need to be able to apply suncream themselves if they are to do it at school- staff are not able to do it for them.

Sunhats are also a good idea at the moment!
