

## Fowey Primary School Sports Funding 2017-2018

- 1) Increasing pupils' participation in PE and Sport, increasing the range of sports available
- 2) Increased physical activity on the playground, especially in KS1
- 3) Improved provision of physical activity in the EYFS curriculum

### Objective 1: Increasing pupils' participation in PE and Sport, increasing the range of sports available

- Competitive opportunities provided across all year groups. (Intra- house competition and local school events)
  - o Subscription to Mid Cornwall Sports Network to provide opportunities for competitive sport, opportunities at School Games (Cluster/Level 2 competition) and sporting programmes.

£600 -Membership to MCSN-Poltair.

- o Increased range of Wednesday Workshop Sports based activities to include Karate, Beach Schools, Sailing, Windsurfing, Dance and Climbing

£8,500 on Wednesday Workshop Provision

£2000 on transport costs for fixtures and Wednesday Workshops off site

£1000 supply cover and additional TA's to ensure that there is sufficient staffing for activities off site (first aiders and to meet KS1 ratios)

### Outcomes:

- Greater number of children across Key Stages have an opportunity to try different sports; increased participation in sports clubs in the local community
- Increased activity levels promote healthier lifestyles for children
- Increase in external Wednesday Workshop offering in KS1 encourages children to be more active at a younger age
- Increase in Wednesday Workshop sporting opportunities.

**Objective 2: Increased physical activity on the playground, especially in KS1**

- Provide range of equipment, as requested by the student council, to increase activity range on the playground.
- KS1 games space to be created in playground and outside classrooms; no running zone.

£3000 KS1 playground equipment

**Outcomes:**

- Children encouraged to be physically active at play and lunch times.
- Increased range of activities ensures that children are more able to access exercise which they find fun and enjoyable.
- Through the leadership of the student council, children feel empowered to make choices about their own activity level; improving mental health and wellbeing.

**Objective 3: Improved provision of physical activity in the EYFS curriculum:**

- Equipment provided to allow children to access the full EYFS curriculum and to develop an excellent sense of their own physicality from a young age.

- £2217 on EYFS equipment

**Outcomes:**

- o Children become more physically active from the start of their school journey.
- o Children encouraged to have greater awareness of their own bodies, with skills to balance, climb and take physical risks safely.
- o Children encouraged to be active for greater proportions of the school day through improved access to the outdoor area; resulting in better pupil wellbeing and improved behaviour.

## 2017-18 Overview

<u>Item</u>	<u>Cost</u>	<u>Qualitative/ Quantitative impact</u>
<b>Subscription to Mid Cornwall Sports Network and FA/Athletic competition entries.</b>	£600	Greater number attending local area competitive sports competitions including swimming, athletics, tennis, rugby, football, netball.
<b>Supply cover costs for staff to attend events and training, additional TA's to allow more children to access sports activities off site.</b>	£1000	More children able to access high quality provision at Porthpean and Polkerris.  Greater numbers of children attending local area competitive sports. Increased participation in sports clubs outside of school in the community.
<b>Active Equipment for KS1</b>	£3000	New equipment including basketball hoops, large sand pit with diggers, rolling tubes and hoops etc. Increased activity at break and lunch times resulting in more focussed, activity based play. Improved behaviour, particularly at lunchtime playtimes.
<b>Transport costs</b>	£2000	Children transported to events by coach, when parents are unable to transport their own children. Coach travel for Wednesday workshops also provided.
<b>Wednesday Workshops  Street Surfing/ Sailing/ Dance/ Windsurfing/ Beach Schools/ Karate/ Climbing/ Orienteering/ Performance</b>	£8500	Children in all year groups given opportunities to experience specialist sports provision and to develop their skills. Increased participation due to the option to choose a range of sports. Working in cross age groups gives greater opportunities to work with a range of children and develop collaboration.
<b>Total Spend:</b>	£17,317
